

Sisters Helping Sisters Fishing Tournament

Celebrating 8 years of Changing Lives

April 30th and May 1st, 2021 Bayshore Park, San Leon Texas

Now, in our 9th year, SHS along with Pampered Pink has put over \$525,000.00 directly into the hands of local women battling breast cancer.

We receive referrals locally and by dozens of major cancer centers in Harris, Galveston, and smaller surrounding counties. The number of referrals is overwhelming and continues to grow.

By offering financial support for these women and their families, we try to alleviate some of the stressors that they face. It may be to pay rent or a mortgage, co-pay, cobra payments, a light bill or just groceries. These are things often overlooked when considering how to help. We welcome you to join us in our mission.

Without the support of all who participate and support SHS, many women would go without the extra peace of mind that we provide during their treatment.

Highlights of the Presented by Sponsorship opportunity includes printing of your company name and logo on the top of tournament t-shirts, event banners, social media recognition that reaches thousands of local supporters in Harris, Galveston and 4 surrounding counties, sponsor networking and SHS website exposure. Smaller sponsorships which also include many advertisement opportunities are available. Please feel free to call and discuss how we can customize YOUR sponsorship to fit your needs.
